The Rose Beyond The Wall

*The rose once grew where all could see
sheltered beside a garden wall
And as the days passed swiftly by
It spread its branches straight and tall
One day a beam of light shined through
a crevice that had opened wide
The rose bent gently towards its warmth
Then passed beyond to the other side
Now, you who deeply feel its loss
be comforted, the rose blooms there
It's beauty even greater now
Nurtured by God's own loving care*
