

*McKinley High School*

**BACCALAUREATE SERVICE**

**SUNDAY, JUNE 3, 1979**

**at 3 o'clock**

*In the School Auditorium*

The one great gift of education is that it gives us the torch of aspiration and the ambition to dream, to be, to do--the great incentives to progress--each according to his talents. It also gives us the will to continue the struggle, no matter how great the odds against us or how certain may seem defeat.

In the words of the poet, Paul Laurence Dunbar:

"There are no beaten paths to Glory's height,  
There are no rules to compass greatness known:  
Each for himself must cleave a path alone,  
And press his own way forward in the fight,"
